

PRAVAAD

THE DEBATING SOCIETY

Annual Report (2022-2023)

Introduction:

“PRAVAAD” means conversation. It is the debating society of our college which came into existence in 2015. Our society is thankful to our conscientious seniors and respective teachers that they bought this society into existence. Everything has its own pros and cons thus everything around us, either globally or domestically, serves as a hot topic of debate, depending on one's vision everyone presents their own views while debating. Moreover, it helps us to know more about prevailing issues and debunk the rumors and false circulations in society while enhancing one's perceptibility. Pravaad has shown an unexplainable exponential growth which is proven by numerous prizes won by the society in numerous competitions. Pravaad has good relations with various other debating societies of colleges in Delhi University.

Agendas:

- ❖ To grow more and more by learning, grabbing and implementing things.
- ❖ Organizing 2-3 virtual sessions per week.
- ❖ Organizing intra-team events to keep up the team spirit.
- ❖ Attending inter-colleges (outer) competitions time after time.
- ❖ Having active participation in both inter and intra society events.
- ❖ Conducting debates on social evils of the civilization, so as to find out the best solution and carrying it out on an individual level.
- ❖ Will try to conduct intellectual webinars.
- ❖ Constructing succeeding objectives.
