Our responsibility is to express an opinion on these financial statements based on our audit. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the College's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that, the audit evidence which we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

- Rule 169 Maintenance Contract.** Depending on the cost and nature of the goods to be purchased, it may also be necessary to enter into maintenance contract(s) of suitable period either with the supplier of the goods or with any other competent firm, not necessarily the supplier of the subject goods. Such maintenance contracts are especially needed for sophisticated and costly equipment and machinery. It may, however, be kept in mind that the equipment or machinery is maintained free of charge by the supplier during its warranty period or such other extended periods as the contract terms may provide and the paid maintenance should commence only thereafter.

Rule 170 Bid Security

- (i) To safeguard against a bidder's withdrawing or altering its bid during the bid validity period in the case of advertised or limited tender enquiry, Bid Security (also known as Earnest Money) is to be obtained from the bidders except Micro and Small Enterprises (MSEs) as defined in MSE Procurement Policy issued by Department of Micro, Small and Medium Enterprises (MSME) or are registered with the Central

Purchase Organisation or the concerned Ministry or Department [or Startups as recognized by Department for Promotion of Industry and Internal Trade (DPIIT)]¹⁹. The bidders should be asked to furnish bid security along with their bids. Amount of bid security should ordinarily range between two percent to five percent of the estimated value of the goods to be procured. The amount of bid security should be determined accordingly by the Ministry or Department and indicated in the bidding documents. The bid security may be accepted in the form of [Insurance Surety Bonds]²⁰, Account Payee Demand Draft, Fixed Deposit Receipt, Banker's Cheque or Bank Guarantee (including e- Bank Guarantee)²¹ from any of the Commercial Banks or payment online in an acceptable form, safeguarding the purchaser's interest in all respects. (iii) In place of a Bid security, the Ministries/ Departments may require Bidders to sign a Bid securing declaration accepting that if they withdraw or modify their Bids during the period of validity, or if they are awarded the contract and they fail to sign the contract, or to submit a performance security before the deadline defined in the request for bids document, they will be suspended for the period of

time specified in the request for bids document from being eligible to submit Bids for contracts with the entity that invited the Bids.

Rule 171 Performance Security

- (i) To ensure due performance of the contract, Performance Security is to be obtained from the successful bidder awarded the contract. Unlike contracts of Works and Plants, in case of contracts for goods, the need for the Performance Security depends on the market conditions and commercial practice for the particular kind of goods. Performance Security should be for an amount of [three to ten per cent (3-10%)]²³, of the value of the contract as specified in the bid documents. Performance Security may be furnished in the form of [Insurance Surety Bonds]²⁴, Account Payee Demand Draft, Fixed Deposit Receipt from a Commercial bank, Bank Guarantee (including e- Bank Guarantee)²⁵ from a Commercial bank or online payment in an acceptable form safeguarding the purchaser's interest in all respects.
- (ii) Performance Security should remain valid for a period of sixty days beyond the date of completion of all contractual obligations of the supplier including warranty obligations.
- (iii) Bid security should be refunded to the successful bidder on receipt of Performance Security.

Rule 172 (1) Advance payment to supplier.

Ordinarily, payments for services rendered or supplies made should be released only after the services have been rendered or supplies made. However, it may become necessary to make advance payments for example in the following types of cases :-

- (i) Advance payment demanded by firms holding maintenance contracts for servicing of Air-conditioners, computers, other costly equipment, etc.
- (ii) Advance payment demanded by firms against fabrication contracts, turn-key contracts etc.
- Such advance payments should

not exceed the following limits:

- (a) Thirty percent. of the contract value to private firms;
- (b) Forty percent. of the contract value to a State or Central Government agency or a Public Sector Undertaking; or
- (c) in case of maintenance contract, the amount should not exceed the amount payable for six months under the contract.

Ministries or Departments of the Central Government may relax, in consultation with their Financial Advisers concerned, the ceilings (including percentage laid down for advance payment for private firms) mentioned above. While making any advance payment as above, adequate safeguards in the form of bank guarantee etc. should be obtained from the firm.

Rule 172 (2) Part payment to suppliers: Depending on the terms of delivery incorporated in a contract, part payment to the supplier may be released after it dispatches the goods from its premises in terms of the contract.

Rule 173 Transparency, competition, fairness and elimination of arbitrariness in the procurement process. All government purchases should be made in a transparent, competitive and fair manner, to secure best value for money. This will also enable the prospective bidders to formulate and send their competitive bids with confidence. Some of the measures for ensuring the above are as follows:-

- (i) the text of the bidding document should be self-contained and comprehensive without any ambiguities. All essential information, which a bidder needs for sending responsive bid, should be clearly spelt out in the bidding document in simple language. The condition of prior turnover and prior experience may be relaxed for Startups (as defined by Department for Promotion of Industry and Internal Trade) subject to meeting of quality & technical specifications and making suitable provisions in the bidding document. The bidding document should contain, inter alia.
- (a) Description and Specifications

- ii) **Above Rs.50,000/-** (Rupees Fifty thousand) and **up to Rs.30,00,000/-** (Rupees thirty lakh) through the GeM Seller having lowest price amongst the available sellers, of at least three different manufacturers, on GeM, meeting the requisite quality, specification and delivery period. The tools for online bidding and online reverse auction available on GeM can be used by the Buyer if decided by the competent authority;
- iii) **Above Rs.30,00,000/-** (Rupees Thirty Lakh) through the supplier having lowest price meeting the requisite quality, specification and delivery period after mandatorily obtaining bids, using online bidding or reverse auction tool provided on GeM;
- iv) The invitation for the online e-bidding/reverse auction will be available to all the existing Sellers or other Sellers registered on the portal and who have offered their goods/services under the particular product/service category, as per terms and conditions of GeM;
- v) The above mentioned monetary ceiling is applicable only for purchases made through GeM. For purchases, if any, outside GeM, relevant GFR Rules shall apply;
- vi) The Ministries/Departments shall work out their procurement requirements of Goods and Services on either "OPEX" model or "CAPEX" model as per their requirement/suitability at the time of preparation of Budget Estimates (BE) and shall project their Annual Procurement Plan of goods and services on GeM portal within 30 (thirty) days of Budget approval;
- vii) The Government Buyers may ascertain the reasonableness of prices before placement of order using the Business Analytics (BA) tools available on GeM including the Last Purchase Price on GeM, Department's own Last Purchase Price; etc.
- viii) A demand for goods shall not be divided into small quantities to make piecemeal purchases to avoid procurement through L-1 Buying/bidding/reverse auction on GeM or the necessity of obtaining the sanction of higher authorities required with reference to the estimated value of the total demand.

It may be noted that unlike Rate Contracts, the responsibility of reasonableness of rate for procurements from GeM portal does not lie with DGS&D. It is the responsibility of the Procuring Entity to do due diligence for ensuring reasonableness of rates.

4.17.6 Pilot Phase of GeM: DGS&D has developed a pilot phase of GeM and products like Computers, Laptops, Tablets, All-in-One Computers, UPS, Digital Copiers, Multi-functional Machines, Packaged Drinking Water, Office Stationary Products etc. and service of transport hiring and leasing have been made available for procurement.

4.17.7 Full Fledge Version of GeM: DGS&D will develop and launch the full-fledged GeM in 2017-18.

4.17.8 GeM Portal: <https://gem.gov.in>. Detailed instructions for user organization registration, supplier registration, listing of products, terms and conditions, online bidding, reverse auction, demand aggregation, call centre, etc. are available on this portal.

4.17.9 **Payment Procedure in GeM:** The payment procedure in GeM is governed by O.M. No. F.26/4/2016-PPD dated 26th May, 2016 issued by D/o. Expenditure, M/o. Finance, New Delhi. The salient feature of this O.M. is that it is obligatory to make payments without any delay for purchases made on GeM. The consignee is required to issue an online digitally signed consignee receipt and acceptance certificate after receipt of goods within ten days. Thereafter, the payments are to be released maximum within ten days. The timelines after Consignee Receipt and Acceptance Certificate (CRAC) issued online and digitally signed by consignee will be two (2) working days for Buyer, one (1) working day for concerned DDO and two (2) working days for concerned PAO for triggering payment through PFMS/Government Financial System/Banks for crediting to the supplier's account. Any matter needing a resolution will be escalated to the next higher level in each agency (Buyer, DDO and PAO) where the matter should be resolved within 24 (Twenty-Four) hours in the entire process, payments should not exceed ten days including holidays.

4.17.10 DGS&D should strive to bring more and more products and services on GeM to facilitate Govt. Buyers.
