ANNUAL REPORT 2023-24

Established in 1967, Swami Shraddhanand College has proved to be an unadulterated blessing specifically to the students residing in the rural belt of Outer/North Delhi as well as the adjoining areas of the neighbouring state of Haryana. The college has played a monumental role in bringing quality and affordable higher education at the doorsteps of villagers in this part of National Capital Region thus opening floodgates of career opportunities for the students. Rising to a position of prominence over the last 57 years, the college has succeeded in gaining a reputation of being a pioneering institution in the realm of higher education. Undergoing a gradual change in the demographic profile, the institution has carved out a niche of its own now attracting students from every nook and corner of the country.

SSN College is committed to academic excellence and fosters the intellectual ability and capabilities of the students coming from different socio-cultural and educational backgrounds. Our college is supported by a highly dedicated team of teaching and nonteaching employees who strive their best and aid in overall development of the institution. The college is extremely proud of the academic achievements of its faculty members and students who have contributed extensively in the field of academia. Apart from well-equipped laboratories, the college also has a well-spaced library integrated with Delhi University Library System that keeps the students abreast with latest research in various fields while keeping them in line with new emerging technologies. In addition to academics, the college holds a stellar sports record owing to its sports infrastructure -extensive sports ground and professionally trained and dedicated staff. Generous funds are allocated every year for sports activities. The college has gained fame all over the country for being a hub of budding cricketers. Many students from humble farming backgrounds have turned out to be shining stars of none other than the 'Gentleman's Game' i.e. cricket, donning Ranji and National team caps. Apart from imparting quality education to its students, the college encourages a quest for co-curricular and extra-curricular activities among them which is carried out through various societies, clubs, NSS and NCC etc. The various committees and societies organize conferences, seminars, workshops, talks, educational trips to train young minds and foster the intellectual potential of the students thereby encouraging all round development of the students. With its best infrastructure and rich academic excellence, the college is on an escalating track and aspires to be one of the foremost centers of higher education in the University. With the spirit of 'Vasudhaiva Kutumbakam', let's take a pledge to strive for a vibrant and benevolent tomorrow by providing holistic and value education to our young learners.

Chairperson's Address

Prof. Anu Gupta Aggarwal

Message

I feel deeply honoured and privileged as Chairperson, Governing Body, in addressing the students, faculty and administrative staff of this prestigious institution of higher education on the occasion of the Annual Day. It gives me immense pleasure noting that within the very first few months of my taking charge, I could be instrumental in the college recruitment drive of both teaching and non-teaching staff besides being involved in academia. With the active cooperation of the dynamic and energetic Principal Prof. Praveen Garg, the College successfully completed the recruitment of the new faculty, non-teaching staff as well as the pending promotions of the teachers at an amazingly fast pace. I am extremely happy to note that the institution has been

ceaselessly pursuing academic excellence.

The college has not failed in its duty towards Nation building by consistently imparting support to society through the various programmes conducted by NSS, NCC, WDC and many other welfare organisations. In the near future also, I intend to give full support to the college in every progressive and well-intended endeavour.

In the end I once again like to congratulate the Principal, teachers, students, and administrative staff working towards the overall development of the college and the society at large.

Regards,

Prof. Anu Gupta Aggarwal

Message

It gives me immense pleasure and a sense of pride to be present at the Annual Function of this institution which is named after one of the greatest sons of Bharat Mata, Swami Shraddhanand who made supreme sacrifice in service of the Nation and Hindu Dharma. The memory of that great saint evokes in us the sacred sentiments of Nationalism and Patriotism.

It's heartening to note that the college under the able stewardship and patronage of the Principal, Prof. Parveen Garg, is inculcating in students the most cherished ideology of Nationalism and Patriotism. These are the core values that youth as members of college strive for, we have has been ceaselessly and consistently working to instil in youth the sentiment of Nation-First and National Pride. I hope the faculty, students and the administration of Swami Shraddhanand College will in their own way contribute to achieving the National goal of Viksit Bharat and self-reliant India by 2047. I wish them great success in their endeavour.

Message

Every visit to Swami Shraddhanand College overwhelms me with a deep sense of positive energy and makes me feel elated to be among the faculty, students, and the administrative staff of this wonderful institution of higher learning. I am well aware of the great strides that the institution has been consistently making over the last few years under the dynamic leadership of the Principal, Prof. Praveen Garg. It is touching new milestones in pursuance of academic excellence and in the realm of all sports. Swami Shraddhanand College is the jewel in the crown of the University of Delhi. The day is not far when the College will flaunt state of art infrastructure with the construction of the New Academic Building. I wish all the very best to the faculty, students and the administrative staff of the College.

Achievements- He is renowned scholar with great achievements in field of Physics. He has written 37 papers in reputed international and national journals.

Given presentations in research coordination meetings of vapor shielding coordinated research project on 'Relativistic atomic structure calculations with application in fusion plasma'; 'Excitation energies, radiative data, and collisional excitation cross-section of Sn (Sn^{3+} , Sn^{4+})' and 'W (W^{11+} and W^{13+}) ions, Energy Levels and Oscillator Strengths of Sulphur Like Cr Useful in Astrophysical Plasma'.

He recently completed a project on 'Projects Atomic Data for Vapour Shielding in Fusion Devices' for IAEA (agency).

He has played a pioneering role in the promotion of educational endeavours with distinctive and syncretic tradition of learning, and the spirit of accommodation is demonstrated by the diverse backgrounds of his college students. The motto of his college is "Live by Love" and our hallmark is the spirit of harmony which he abides and practice.

Education at his institution is not merely restricted to the pursuit of information. He aims for holistic development of the institution. He believes in the pursuit of academic excellence goes hand in hand with a thriving cultural scene.

Students of his college are encouraged to have scientific temper, a progressive outlook, and a thorough grounding in humanistic values. Their academic growth is further stimulated by organising conferences, workshops, memorial lectures, and various other academic activities throughout the year. A sense of mutual respect, decency, and politeness are an integral part. In addition to their personal development, students are constantly sensitized towards the preservation of the natural environment and the college also ensures gender equality and social justice in its everyday practices.

The institution under his able leadership and guidance provides environment for students to become academically successful and socially conscientious human beings.

Principal's Address

It brings me great pleasure to announce that our college has applied for NAAC accreditation, reaffirming our commitment to a top-notch education. This rigorous process reflects our dedication to excellence across all areas, ensuring our students receive the best possible learning experience.

Our significant accomplishments include the successful expansion of our infrastructure, including the commencement of a New Academic block and extensions of existing block such as laboratories, research areas, committee rooms, and classrooms. These developments are aimed at creating a conducive learning environment for all students. Moreover, efforts have been made to enhance accessibility for visually impaired

individuals through various initiatives such as acquiring Braille books, establishing a dedicated computer lab, installing tactile paths and handrails, and upgrading accessible toilets.

Our college has also hosted two impactful Faculty Development Programs (FDPs). The first was an interdisciplinary week-long program on 'Environmental Sustainability and Disaster Risk Reduction' in collaboration with NIDM, benefitting participants from various colleges in Delhi NCR. The second FDP, conducted by the Har Ghar Dhyani Committee and The Art of Living, focused on teaching Sudarshan Kriya to faculty members for stress reduction and well-being.

In sports, we take pride in the achievement of five of our College cricket players who have been selected for the Indian Premier League, highlighting the talent and dedication of our students in sports. Notably, Yash Dhull served as India's Under-19 World Cup-winning captain and Asia Cup player, while Himanshu Rana was part of the World Cup-winning team, and Mayank Rawat represented India in the Under-19 World Cup, reflecting our college's cricket prowess.

We conducted recruitment for 27 permanent teaching staff positions. Furthermore, we've successfully completed the promotion of 27 faculty members in the preceding year.

We have Organised various programs on 'Viksit Bharat @2047', focusing on India's development goals for the year 2047, and the Youth Empowerment & Entrepreneurship Development Committee actively promoted a culture of innovation and entrepreneurship among our students.

I extend my heartfelt congratulations to everyone for your outstanding achievements in academics, co-curricular activities, and cultural initiatives. Your resilience and dedication are truly commendable. I express my gratitude to all of our faculty members, non-teaching staff, and administrative staff for their invaluable support. Let's continue striving for excellence and collaboration in the coming year.

Warm regards,

Prof. Parveen Garg

Administrative Officer

Message

As we embark on another academic year filled with promise, potential, and opportunities, I extend my warmest greetings to every member of our college community. As the College Administrative Officer, I am honored to address you today and share some reflections and aspirations for the upcoming year.

Teaching Staff dedication, passion, and commitment to excellence are the cornerstones of our institution's success. Your tireless efforts in shaping the minds of our students, imparting knowledge, and fostering critical thinking are invaluable. As we navigate the challenges and embrace the opportunities of the academic year ahead, I encourage you to continue inspiring and empowering our students to reach their fullest potential. Your mentorship and guidance play a pivotal role in shaping the future leaders of tomorrow.

Non-Teaching Staff unwavering support, behind-the-scenes efforts, and dedication to ensuring the smooth functioning of our college are truly commendable. From administrative tasks to maintenance and logistical support, your contributions are integral to our daily operations.

Students are the heart and soul of our college, and your enthusiasm, curiosity, and thirst for knowledge inspire us all. As you embark on this academic journey, I encourage you to embrace every opportunity for growth, learning, and personal development. Challenge yourselves, pursue your passions, and dare to dream big. Remember that your college experience is not just about academics but also about self-discovery, collaboration, and building lifelong friendships. Seize the day, make the most of your time here, and leave a lasting legacy that reflects your potential and aspirations.

As we embark on this new academic year, let us reaffirm our collective commitment to excellence, innovation, and inclusivity. Together, let us work towards creating an environment that fosters intellectual curiosity, creativity, and social responsibility. Let us support one another, celebrate our achievements, and navigate challenges with resilience and determination.

In closing, I wish each of you a successful, fulfilling, and memorable academic year ahead. May you find joy in your pursuits, fulfillment in your endeavors, and inspiration in the journey of lifelong learning.

Warm regards,

Dr. Dharam Veer Bhardwaj
Administrative Officer

Administrative Section

Achievements of Administrative Staff

There is an overall computerization of college functioning, both in the administration and accounts departments. It ensures effective management of data for both staff and student-related services. The process for Government e-Market place was initiated successfully in the college to boost up E-Payment system and E-Tendering system. The employees of the college have easy access to salary statements, PF and NPS status, form 16, and other medical and LTC benefits through the accounts department, having a computerised information system. The college has shifted to an online process for admissions to all Undergraduate courses centrally managed by the University of Delhi. The people deserving recognition for implementing these reforms include Dr. Dharam Veer Bhardwaj, Administrative Officer; Mr. S. K. Dahiya, Section Officer (Administration); Ms. Neha Pruthi, Section Officer (Accounts); Mr. Rahul Pathak, Sr. P.A. to Principal and others.

Examination Branch Report

The examination branch of the college streamlined the process of student online paper option filling system for online examination forms and online payment of fees by the students. The students have access to important information like time tables, notices, attendance, and internal assessment marks through the college website. Examination In-charge Dr. Anil Kumar, Assistant Professor in the Department of Hindi; Dr. Anil Kumar, Assistant Professor in the Department of Botany and Dr. Om Dutt, Assistant Professor in the Department of Commerce were impressive in expediting the examination reform process in the college.

Infrastructure Development Report

The college has adequate infrastructure and other facilities for teaching – learning, viz., classrooms, laboratories, ICT – enabled facilities and facilities for cultural and sports activities. The entire college is Wi-Fi enabled including Academic Block, Library, Staff rooms, Faculty rooms, Classrooms and Principal's office. It has two campuses with sixty-eight classrooms; twenty-six well equipped laboratories and two research labs. There are two seminar halls for co-curricular activities. The campus is differently enabled. The Enabling Unit has computer systems for physically challenged students and teachers. There is one large Amphitheatre and Bhartendu Rang Mandap with green room in the new campus. There is multipurpose play field for Kho-Kho, Kabaddi, Football, Cricket and also there are facilities for badminton, basketball, etc. The campus is under CCTV surveillance. The four computer labs have latest educational software like Treecon, Phylip, Matlab, Python etc. The college has a medical room, Girls' common room, Canteen, and Photocopy shop in the campus. The college has switched to solar energy as its primary resource of energy, an eco-friendly alternative. The construction of new academic block and new classrooms, use of alternate source of energy, purchase of new computer systems, good academic and

sports performance are some of the indicators of good governance, working in accordance with the mission and vision of the institution.

Introduction

In the spirit of safeguarding our freedom—a right we are all born with—the necessity for the youth of our nation to undergo military training becomes paramount. This ensures they are prepared to defend the country when called upon. The National Cadet Corps Act of 1948 embodies this vision, setting the foundation for a disciplined and resilient youth force.

Progress and Participation

We have witnessed significant progress in female participation within the NCC. From a time when the concept of girl cadets was non-existent, we now boast a strength of 169 girl cadets from Swami Shraddhanand College. The NCC, with its motto of "Unity and Discipline" (Ekta and Anushasan), offers our young individuals opportunities for self-development, promoting their overall growth.

Training and Development

The NCC program at our college encompasses institutional and adventure training, including drill, signals, weapons training, cultural, and medical training. To facilitate the cadets' development, the college has constructed dedicated obstacle courses.

Leadership

For the academic year 2023-2024, Cadet Tanya Gupta has been appointed as the Senior Under Officer. Cadets Zoha Hasan, Mansi Singh, and Kalash Panwar have taken up the roles of Junior Under Officers, leading by example and inspiring their peers.

Lensation ~ The Photography and Filmmaking Society

Events, Photowalks and Workshops

1. The photowalk series kicked off at Potter's Colony on January 7th, 2023, showcasing the tranquility of pottery amid Delhi's chaos. The colony, nestled in Uttam Nagar, West Delhi, boasts a heritage of 800 families mastering pottery over generations. Next, the Sundar Nursery photowalk on January 19th engaged freshers in camera basics and interactive sessions. On February 17th, a collaborative photowalk at Chandni Chowk explored short film techniques with mentor Aayush Pathak, enriching participants' filmmaking insights. April 18th witnessed an open photowalk at Purana Qila, mentored by

Manav Chugh, focusing on photography exploration. Transitioning to Firoz Shah Kotla Fort on October 18th, newcomers delved into cinematography basics, enhancing their understanding. Lastly, the Mehrauli Archeological Park photowalk on February 10th, 2024, tested members' filmmaking skills. Each photowalk fostered learning, creativity, and community engagement within the photography enthusiasts' circle.

2. Lensation's annual fest Glint'23 took place from April 11th to 13th, 2023, featuring exhibitions, competitions, and various events. The three-day fest included an exhibition with three sections. Day 1 focused on the Evolution of Cinema, showcasing the progression from photography to filmmaking through camera models, reel models, and photographs. The Photo Exhibition displayed the best photographs, inspiring aspiring photographers. The Fashion Magazine Exhibition highlighted fashion trends across eras. Day 2 continued with the exhibition, receiving appreciation from faculty and students. Day 3 hosted Photography and Filmmaking competitions judged by the internal and external judges, including renowned photographers like Mr. Niranjan Kanyal and Mr. Ayush Pathak. The on-the-spot Photography Competition winners received cash prizes and certificates, and the online Filmmaking Competition focussed on around the theme 'Life in Delhi,' judged by Mr. Ayush Pathak, a prominent content creator and creative director.

3. Short Film 'GUM': Our first short film collaboration with Rangmanch – The dramatic society of Aryabhatta College took 3 months to produce. The premiere of 'GUM' was held on October 11th, 2023, at Aryabhatta College, University of Delhi. It was a rewarding experience to see our production on the big screen, with an interactive session where students asked questions about the film, and we answered them all.
4. Lensation's achievements include Akshat Kumar, the Vice President, winning two prizes in reel-making competitions: 1st Prize at Daulat Ram College on April 25th, 2023, and 2nd Prize at Shree Ram College on April 17th, 2023. Additionally, Yashasvi Singh, Harsh, and Manan Bisht secured 3rd position in an Online Filmmaking Competition Organised by PGDAV College on February 27th, 2024, for their film 'REDISCOVERY.' On March 13th, 2024, Akshat Kumar also secured 1st Position in an online Photography Competition Organised by PGDAV College.
5. Lensation Organised auditions for freshers on September 23rd, 2023, where 1st and 2nd year newcomers showcased their photography and filmmaking skills. The offline auditions took place at Lodhi Garden, testing amateur photographers based on various themes, with selected participants joining for further learning and growth. Additionally, a workshop on the Basics of Cameras was held on November 24th, 2023, hosted by Peeyush Howldar and Hari Shankar to provide newcomers with essential camera knowledge.
