

Incubation Centre Meeting

Date: 10 November, 2023

An Incubation centre meeting was held on 10 November, 2023 at 10:00 am and was attended by Dr. L.R. Palival (convener), Ms. Mansi Bassar, Ms. Ritu, Mr. Ramesh Kumar, and Ms. Sakshi Agrawal. A few events regarding start-up and innovation ideas in collaboration with the G-20 committee and Youth Empowerment and Development Committee were organized and presentations from students were evaluated and their feedback was taken. Their level of awareness regarding start-ups and entrepreneurial zeal was evaluated. Further, the interactions of students with industrialists were considered and future course of action was discussed.

The feedback from teachers who attended the FDP on "Design Thinking and Innovation" was taken and their suggestions were incorporated in forming the objectives and functioning of the Incubation Centre. It was further resolved that start-up awareness events shall be organized in the college and students shall be encouraged to actively participate in the same with feasible and scalable ideas.

The meeting ended with a vote of thanks by
Ms. Ritu.
