'ADD-ON-COURSE' EXPERIENCE

BY - Jyoti (II year) Aditi college.

The Add-on-course is based on 'The Dimensions of contemporary tourism'. These 10 days were very amazing, so knowledgeable and changes my perception towards tourism. It's help me to know that the tourism sector enhances the employment in each and every country. Tourism needs to be full-focused and local community participation and government policies. It should be Eco-tourism and sustainable tourism not Mass-Tourism.
