

The Department of Microbiology organized a webinar on “Own your ideas: Intellectual property rights” by Ms. Ruchita Singh on 23rd May 2020 on Google meet. Ms. Ruchita Singh is a registered patent agent and IPR facilitator. Intellectual property rights are the rights given to persons over the creations of their minds. They usually give the creator an exclusive right over the use of his/her creation for a certain period of time. The talk was informative.
