Dear students,

As per the University of Delhi Notification CNC-II/093/1(22)/2022-23/ dated 10 February 2023, Point No. 9,

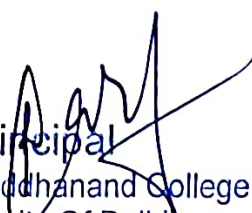

[https://www.du.ac.in/uploads/new-web/22032023\\_Notification%20-%20Amendment%20to%20Ordinances%20VIII.pdf](https://www.du.ac.in/uploads/new-web/22032023_Notification%20-%20Amendment%20to%20Ordinances%20VIII.pdf), students are eligible to improve their marks in the subsequent year, in the odd/ even semester as applicable. Therefore, if you are planning to improve the result (including ER) of any paper conducted in **December 2024**, you may improve the same in the subsequent year in the odd semester. Interested students are requested to fill this google form.

**IMPORTANT 1: Students of 2022 Admissions, who have exited in July-August 2025, are also eligible to fill this form to improve their 5<sup>th</sup> semester results, including ER. They are also eligible to fill this form to clear the ER papers of 1<sup>st</sup> and 3<sup>rd</sup> Semester.**

**IMPORTANT 2: Students who are not promoted to the next year, after the declaration of 2<sup>nd</sup>, 4<sup>th</sup>, and 6<sup>th</sup> semester, for not fulfilling the DU promotion criteria, (marked "Failed" in the marksheet) must fill the re-registration form as an Ex-Student to repeat the papers in which they are eligible for re-registration.**

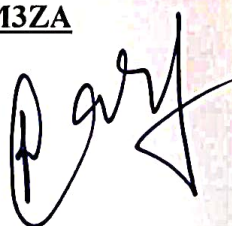

Please Note:

1. Those who would like to improve only the marks in the Theory (Term End) Examination, without improving IA/IA+CA, do not have to fill this form.
2. This form is compulsory for those who would like to improve their IA (Internal Assessment) and/or CA (Continuous Assessment- Tutorial/ Practical as applicable).
3. IA can be improved with or without improving the attendance component.
4. CA can be improved only if you have scored **Grade F in GR (T) or GR(P).**

5. CA can be improved only by repeating the whole paper including attending lectures and tutorials/practicals and submitting assignments and class tests, and reappearing for the Term End Theory Exam.
6. If the student has cleared the paper (not marked as ER or not marked as 0 in CRPT in the marksheet), in spite of scoring F in GR (L), GR (T) or GR (P), the student may choose to improve or not, as per their interest.
7. **The chance for improvement is only available in the subsequent year in the corresponding semester.** For example, a 1<sup>st</sup> semester paper grades can be improved in the 3<sup>rd</sup> semester, and not in the 5<sup>th</sup> semester. However, if a student had received ER in a 1<sup>st</sup> semester paper and they could not clear it in the 2<sup>nd</sup> attempt in the 3<sup>rd</sup> semester, they will get the chance in 5<sup>th</sup> semester to clear the same.
8. The college will publish the list of eligible students within a week from the last date for filling the google form.
9. **It is the responsibility of the student to attend the classes, submit the assessment requirements as applicable, and to fill the improvement/ER form on the Samarth Portal for Examinations to be conducted in December 2025.**
10. **Students are also informed that the final list will be forwarded to the University of Delhi and the marks of IA/TUT/Practical/ Term End Theory Exam previously scored by the re-registered student, in the papers opted by them for improvement, will be replaced by the new marks, irrespective of improvement/reduction in marks.**
