02. Learning Administrative Values from the Life of Ahilyabai Holkar'

An insightful programme was organized at Swami Shraddhanand College, University of Delhi, focusing on the life and administrative vision of Lokmata Ahilyabai Holkar. The event aimed to highlight how her principles of governance remain relevant to modern administrative systems and public leadership. Eminent speakers shared their views on Ahilyabai Holkar's exemplary rule, emphasizing that her administration was rooted in justice, integrity, and public welfare. She considered governance not as a means of power, but as a responsibility towards society. Even in challenging circumstances, she established a model of good governance marked by efficiency, tolerance, and cultural prosperity.
